## PRESIDENT'S MESSAGE

**Dr. Karen Drake**

Primus University of Theology and Arizona Christian University have embarked on a partnership that will provide expansive opportunities for exceptional Christian leaders to share their knowledge and years of experience. As expert and authors of the materials they teach, our Alumnus are well equipped to introduce their powerful, life transforming courses. Working together we will bring the powerful message of Jesus Christ, to a world starving for the truth and the knowledge of Christ's love and forgiving grace. Together we can transform cultures.

*And when they arrived and called the church together, they reported all that God had done with them, and that he had opened a door of faith for the Gentiles. Acts 14:27 (LEB)*

**ROMANS 13: 1 - 3 (AMP) BE SUBJECT TO GOVERNMENT**  
*1 Let every person be subject to the governing authorities. For there is no authority except from God [granted by His permission and sanction], and those which exist have been put in place by God. 2 Therefore whoever resists [governmental] authority resists the ordinance of God. And those who have resisted it will bring judgment (civil penalty) on themselves. 3 For [civil] authorities are not a source of fear for [people of] good behavior, but for [those who do] evil.*

## 2019 PRIMUS UNIVERSITY OF THEOLOGY EAGLE FORUM

**MARK YOUR CALENDAR : October 30th – November 2nd  
THE 2019 ANNUAL EAGLE FORUM AND GRADUATION EVENTS**

**Theme: Strategic Partnerships to Mentor Millennials - Key leaders with answers for today's questions!**

**DR. DEAN RADTKE**  
Business/Leadership

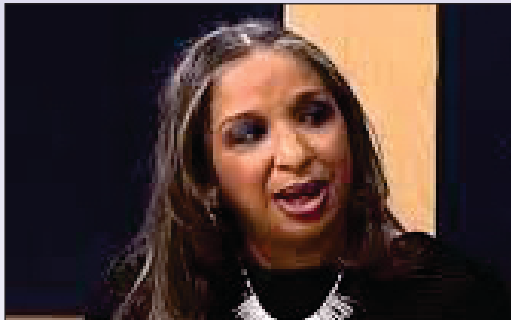

In the USA alone we lose 1,800 pastors a month which equates to 22,000 every year. “Uncalling” themselves because they can't take it anymore – the aching void of underachievement. I have been embarked to help as many as I can to stay strong in their calling and fulfilling it, to accomplish all that God has tasked them to do, to build a succession plan and leave a lasting legacy to train future generations of God's leaders in His system. More important than what we do today is what we set in motion for all the tomorrows. My mandate, my joy and fulfillment is to teach everyone I can how to generate future generations of leaders to perpetuate the succession plan of Jesus Christ and leave a lasting legacy.
