CELEBRATING 20 YEARS OF EXCELLENCE

PRESIDENT'S MESSAGE

*"Twenty (20) can mean a complete or perfect waiting period. "A **waiting period** is the period of time between when an action is mandated and when it comes to pass"*

- For 20 years Jacob waited to get possession of his wives and property, and to be freed from the control of Laban his father-in-law (Genesis 31:38 - 41).
- For 20 years the children of Israel waited to be freed of Jabin, King of Canaan, who oppressed them. God response was to raise up Deborah and Barak, who freed the people from bondage (Judges 4 - 5).
- In the days of Samuel the prophet, the Philistines battled and overcame Israel, taking the Ark of the Covenant back to their land. Israel had to wait 20 years (1 Samuel 5 - 7) before the Ark would be moved again.

The History and Purpose of Primus University, established June 15, 2001

Primus has been modeled after the original university systems in Europe at the advent of education, where Bible teaching was required even for medical and law students. We realize that accurately teaching the Word of God, and the things which concern the Lord Jesus Christ, is imperative if we are to transform Nations.

Dr. Karen Drake
President

Primus University of Theology realizes that God, through the Holy Spirit, is our teacher, and He teaches us what we need to know. Many qualified men and women in full time ministry do not have the time or the money to complete Graduate School. That is why Primus University of Theology forms such a critical part of God's work. We provide, a way for gifted and qualified men and women, to receive the credentials they deserve through assessment and evaluation of their years in Ministry, self-motivated study, written works and

revelation education.

It is one's gifting, their faith, their presence, and their presentation of God's call and purpose in their life, that speaks to their level of education and validates their "letters" or degree.

What we are doing at Primus University of Theology, is confirming what our students have learned from their Heavenly Father about His Word and His doctrine. Then we validate that learned with the degree they receive. In the process, students are prepared to present Jesus Christ in truth and power to a lost and dying world.

2 Timothy 2:2: *"And the things which you have heard from me in the presence of many witnesses, these entrust to faithful men, who will be able to teach others also."*

you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him.

John 7:14-15 AMP... *Jesus went up into the temple [court] and began to teach. Then the Jews were perplexed. They said, "How did this man become learned [so versed in the Scriptures and theology] without formal training?" Jesus answered them by saying, "My teaching is not My own, but His who sent Me.*

One of the things Primus University of Theology hopes to do is to re-establish the association of the term Doctor, with instruction in sound doctrine, and that we are used by the Lord to find and credential those men and women that are teaching sound, consistent, Biblical doctrine. Those that are one with the Word of God, that know they can, according to **Ephesians 6:16-17**,...*"raise the sword of the Spirit, which is the word of God to defeat whatever comes against them, and taking up the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked."*

John 14:25-27: *These things have I spoken unto you, being yet present with you. But the Comforter, which is the Holy Ghost, whom the Father will send in my name, he shall teach you all things, and bring all things to your*

remembrance, whatsoever I have said unto you. Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.

Acts 5: 28-29: *And the authorities said, "We gave you strict orders not to continue teaching, in the name of this man Jesus, behold now you have filled all of Jerusalem with your teaching and you intend to bring the blood of Jesus upon us." But Peter and the Apostles answered and said, "We must serve God rather than men."*

By pleasing and placating people, we will never take dominion over this world.

Only with strict and diligent adherence to the Word of God, can we offend and challenge; which will conflict with the mind of man to the point of conversion.

And this we shall do, until He returns, God willing!
