HEADLINE NEWS HIGHLIGHTS

WHAT MAN IS DOING

- The daily news is filled with inconceivable stories of murder and violence.
- The US cost of living jumped 9.1% in June, the steepest increase since November 1981.
- Soaring gas and food prices catapult US inflation to a 40-year high.

NOW! LET'S TAKE A LOOK AT WHAT GOD IS DOING

The following positive and inspiring moves of God have not gotten the media attention that the bad news gets; however, these are big battles won by bold conservative faithful followers of Christ that are turning the tide of systemic evil, hatred, and violence. Together we will take America back as "One Nation Under God!"

The overturning of *Row v Wade* on June 24, 2022. No longer is it a federally protected "right" to an abortion. This ruling gives power to individual states to protect the unborn and will have far-reaching protections for unborn babies.

Bishop Wellington Boone's new book, *Black Self-Genocide* exposes the truth that abortion was not promoted to bless Black women. It was a curse against the race. White eugenicists wanted to cut off the descendants of Black Americans before they could be born. The true "choice" of the pro-life vs. abortion debate is found in Deuteronomy 30:19 (NLT). *"Today I have given you the choice between life and death, between*

blessings and curses. Now I call on heaven and earth to witness the choice you make. Oh, that you would choose life, so that you and your descendants might live!

Christ for All Nations has announced that it will reimburse its employees for adoption expenses up to \$5,000.

Supreme Court Sides with Football Coach & Marine Joe Kennedy Who Was Fired for Praying on the field, Kennedy Proclaims: *'I fought for this right'*

Meaning of Separation of church and state: The state does not have the right to interfere in religious affairs of any kind. The state does not have the right to prohibit prayer, worship, or any other religious activity. Religion is something that needs to be governed by the church and the state has neither the authority nor the capability of dealing with it.

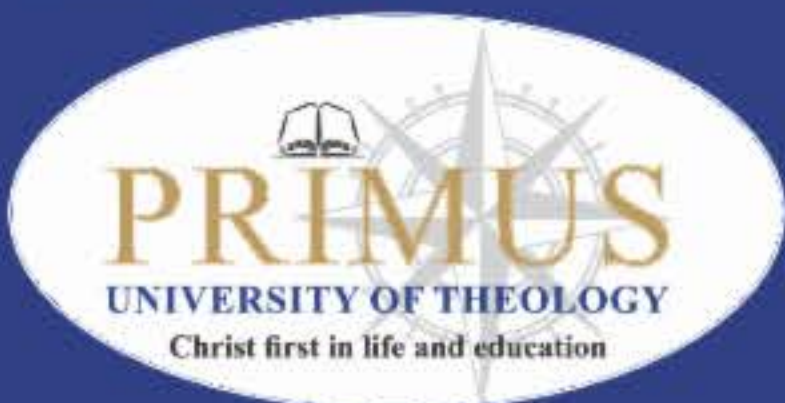

Chick-fil-A Is America's Favorite Restaurant for the 8th Straight Year: Founded by Christian businessman Truett Cathy in 1946, Chick-fil-A's purpose statement is to "glorify God by being a faithful steward of all that is entrusted to us" and to "have a positive influence on all who come in contact with Chick-fil-A."

GOD IS ON THE MOVE!

What part has HE assigned you to play? **This is an Election Year!** The right to vote is the foundation of America. The right to vote freely for the candidate of one's choice is of the essence of a democratic society. Don't forfeit your right!
